

Technical drawing of a shaft. The shaft is shown in a vertical orientation. It has a larger diameter section on the left and a smaller diameter section on the right. The larger diameter is labeled as $\emptyset 605$. The smaller diameter is labeled as $\emptyset 569 \text{ i.L.}$. The transition between the two diameters is a chamfered edge. Dimension lines with arrows indicate the extent of each diameter section.

$\emptyset 605$

$\emptyset 569 \text{ i.L.}$
