

A technical drawing of a shaft with two different diameters. The shaft is oriented vertically. The upper portion has a larger diameter, and the lower portion has a smaller diameter. A horizontal centerline is drawn through the middle of the shaft. Two dimension lines with arrows indicate the diameters of the two sections. The upper diameter is labeled as $\emptyset 356$ and the lower diameter is labeled as $\emptyset 321$ i.L.

$\emptyset 356$

$\emptyset 321$ i.L.
